

Important Update

Dental Maximum Rollover Reports

Guardian will no longer be sending Planholders and Members an annual MRA statement reflecting their Dental Maximum Rollover. The majority of these statements were sent out in March of each year via the mail. However, effective in 2008, these statements will only be available on-line. The statement will be available to Planholders and Members via **Guardian Anytime**.

Guardian Anytime is available 24 hours a day, 7 days a week. Simply click on the link below to gain access.
